Normans guide to the area, some suggestions to fill your days.

It is a 10 minute drive to **Pershore** on arrival there are various pay & display car parks. Main car park is adjacent to the Market and Pershore Leisure Centre (nice swimming pool & gym). You can walk down and along the River Avon (below the Leisure Centre) walk through the Market onto Pershore Main Street with shops, cafe's, Pershore Abbey which has a car park at this end of town.

A trip to **Evesham**. Park on the River Bank car park. It is a short walk through the park to the Main Street at the bottom of town. There may be a brass band playing on Sunday in the park band stand.

Longer drive via Evesham to **Broadway**. Then take scenic route B4632, then left on to B4077 to Stow-on-the-Wold (nice tea shops, etc.) Not far to **Bourton-on-the-Water** or **Upper & Lower Slaughter**

Bourton-on-the-Water (is a must!) large pay & display car parks at each end of town (short walk in). It is an extra 20 mins drive to **Bibury** The 19th century artist and craftsman William Morris called Bibury "the most beautiful village in England" when he visited it.

Circular driving route around the area. Leave site 11ish, late morning coffee & crumpets in town centre **Pershore** (car park) (no walking) then continue on A4104 over M5 at the junction with A449 turn left short way, to right turn onto B4232 pretty route along back slope of The Malverns, part of The Elgar Route terminating in **Great Malvern**. Morrison's car park is handy for Shopping for supplies for b-b-q. Return via **Hanley Swan, Hanley Castle B4211**, and **Upton-upon-Severn** back to **Pershore** (guessing 30 odd miles round trip).
