The safest and best way to tell us about special dietary needs such as vegetarian or gluten-free foods is to make sure that **ALL** your personal details on the ICFR membership system are completely up-to-date. Go to <https://icfr-uk.org> > **Members** > **View/Edit (your entry)** to check. Click the dark red tag to show your Dietary, Allergy, Mobility and Special Requirements.

All of the information in the red box below should already be in your online membership record. **Please check that it is.** You can show any updates below but do remember to change the membership record first.
